

LOTS OF COPIES KEEP STUFF SAFE

LOCKSS Program Update, October 2017

Nicholas Taylor ([@nullhandle](#))

Program Manager, [LOCKSS](#) and [Web Archiving](#)

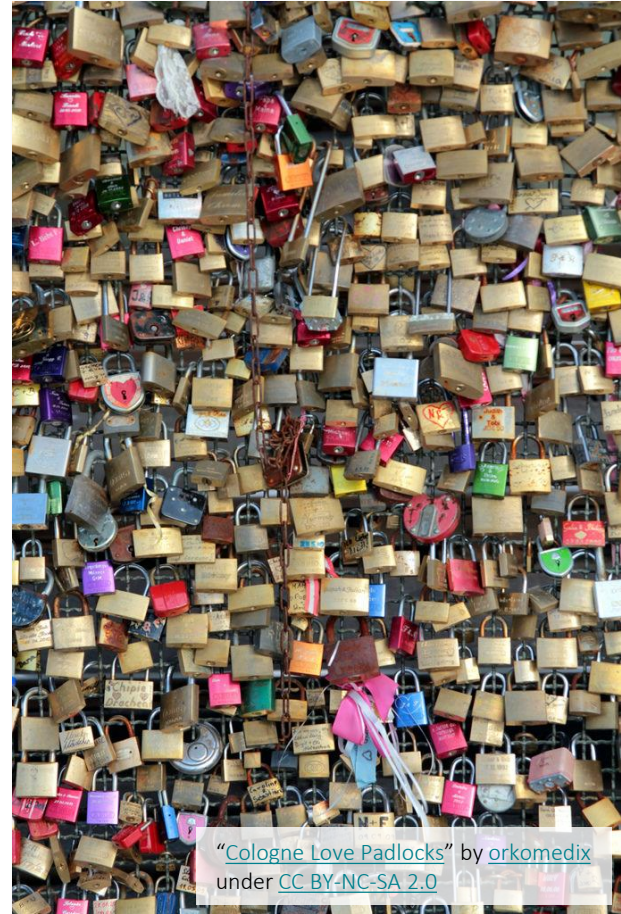

[Stanford Libraries](#)

Community LOCKSS Networks call

17 October 2017

changing LOCKSS

- new parent department
- new leadership
- new roles
- new grant
- new technology
- new visual identity

"Cologne Love Padlocks" by orkomedix
under CC BY-NC-SA 2.0

continuity

- **community-centric** digital preservation
- informed by research-based **threat model**
- preserve **all types of content**
- **strengthen** existing + **support** nascent **networks**
- enable libraries to be **digital libraries**

“Contrasts are good because there are too many shades anyway...” by [getoutski](#) under [CC BY-NC-SA 2.0](#)

plug in + feed back

- how is LOCKSS working for you?
- how could it work better?
- join [CLN list](#)?
- participate in CLN meeting (week of 3/26/18, Stanford)
- info@lockss.org
